

About Really Spicy Opera

RSO is a jewelbox opera company specializing in developing searing new musical and dramatic works for the stage. During its 10-year history, RSO has premiered numerous new works in Boston and Minneapolis, while also providing invaluable training and professional opportunities for hundreds of early career musicians. Today's production is RSO's third consecutive production at the Minnesota Fringe Festival. The company made its Upper Midwest debut with the opera *The Frat Party* at the 2014 Minnesota Fringe Festival, returning in 2015 with Leanna Kirchoff's *The Clever Artifice of Harriet and Margaret*.

About *Game of Thrones*

Game of Thrones is an Emmy award-winning television drama created by David Benioff and D.B. Weiss for HBO. Based on the best-selling *A Song of Ice and Fire* by George R. R. Martin, the series is frequently lauded for its striking content, riveting characters, mature subject matter, and unexpected narrative developments. *Game of Thrones* fans are known for bemoaning the deaths of their favorite characters, who die much more frequently than in any other television project in history.
